'We Believe, We Achieve, We Succeed!'

21st October 2022

Halloween 'Dress up Day'

Please don't forget that on Monday 31st October we would like the children to come to school in their 'Spooky Halloween costumes'! If children do not wish to dress up, come along in your pyjamas or non-uniform! We will be having Halloween activities throughout the day and each class will have their own Halloween party!

We would very much appreciate it, if parents could send in any snacks/cakes on this day for all the class to share! Parents could donate cakes, biscuits or crisps to share among the class. Please do not send in sweets or anything containing nuts!

Please note there will be no PE lessons during the day as children will be in their costumes. Anyone who has Hockey or Fun PE club will need to bring their PE kit with them in a bag.

Silent Disco

Also, on our Halloween 'Dress up Day', we are very fortunate to have been offered the chance for our children to experience a silent disco! One of our parents has very kindly offered to let us use his equipment and has even offered to come into school and set this all up for us! We are sure the children will absolutely love this experience!

PE Days for the w/c 31st October are as follows:

Please don't forget that children need to come to school wearing their PE kit on the days they have PE. Thank you.

E-Safety Talk

E-Safety is an important part of keeping children safe online.

We understand how difficult it can be to navigate the ever-changing trends such as TikTok and other online content. To support you, we would like to invite you to attend our Online Safety Session hosted by our PCSO Hannah Donaughee. This will take place on Friday 4th November @ 4.30pm, in our school hall. We hope to see as many as you as possible and please remember if you need any advice don't hesitate to get in touch!

We will be sending out letters regarding this event on Monday 31st October with more information.

Year 6 SATS Meeting

We will be holding our Year 6 SATS meeting on Thursday 10th November @ 6.00pm in our school hall. This meeting is for parents only. Please try to avoid bringing your child with you wherever possible. We hope to give you information regarding the planned SATS tests in May 2023.

Football After School Club

After the half term break, our football after school club will change to 'Indoor Athletics' for autumn/winter. The weather is starting to get a little colder and the nights will be much darker once we return. Football will hopefully return in the spring term! Children currently attending our football club will automatically switch over on to 'Indoor Athletics' with effect from Wednesday 2nd November. If your child does not wish to attend this new club, please let the office staff know.

Maths After School Club

After the half term break we are looking at starting a Maths Tutor Group every Thursday after school (3.30pm-4.30pm). This group will help children to enhance their basic maths skills and help to build children's confidence. This group is open to all year groups and will be £2.00 per week. If you would like your child to attend this after school club, please contact the school office after half term. Hopefully we will be able to start this on Thursday 3rd November, but this will depend on the response we receive.

Mid-day Supervisor Vacancy

A vacancy has arisen for a Mid-day Supervisor at our school. Details of this role and an application form are on our school website. Please click on 'School' on the front page and then school vacancies.

If you are interested in this position, please email your application and a covering letter to admin@seaton-jun.cumbria.sch.uk Thank you.

End of Term

It's hard to believe that we have come to the end of our first half term in this academic year and my first half term as Headteacher of Seaton St. Paul's C of E Junior School. I would like to thank all our staff, governors and parents/carers for making me feel so welcome and for your ongoing support. It has been very much appreciated.

We hope that the children enjoy their well-earned break next week and we look forward to seeing you all back in school on Monday 31st October.

Next term will be another busy one, but very exciting with the run up to Christmas!

Have a lovely weekend & an enjoyable half-term break.

Kindest regards

Mrs Lynn Carini
Headteacher
