

SEATON ST. PAUL'S C OF E JUNIOR SCHOOL

WEEKLY NEWSLETTER

19th May 2023

'Joy, Hope & Aspiration-Life in all its fullness'.

Den Building

All year groups will be taking part in some 'Den Building' sessions next week. Our school has taken part in these workshops before and the children always really enjoy them!

Den building allows children to interact with natural elements. They learn to negotiate, problem solve, resolve, manage and work as a team. Learning to work together teaches children the art of teamwork, which is a great skill to have.

Year 4 & 5 – Den Building Sessions will be on Thursday

Year 3 & 6 – Den Building Sessions will be on Friday

Children in Year 4 – Please come to school on Thursday in old clothes that you don't mind getting dirty and bring school uniform in a bag to change into for the afternoon.

Children in Year 5 – Please come to school in old clothes that you don't mind getting dirty. Children will have their Den Building session in the afternoon and will come home straight after and won't need a change of clothes.

Children in Year 3 - Please come to school in old clothes that you don't mind getting dirty. Children will have their Den Building session in the afternoon and will come home straight after and won't need a change of clothes.

Children in Year 6 - Please come to school on Friday in old clothes that you don't mind getting dirty and bring their PE Kit in a bag to change into for the afternoon.

Lunchshop

You will all have received a letter this week explaining that Lunchshop is being migrated over to School Hub with effect from Thursday evening. Hopefully this transition should go smoothly and all parents and children will automatically be moved across. If you do have difficulty accessing the new School Hub or have problems ordering lunches, please do not hesitate to contact us.

Seaton Carnival

Thank you to everyone who responded and would have liked to have been part of the carnival this year. Unfortunately, due to children having other commitments, we are unable to get a U Dance team or School Council team together for this year's carnival.

As we are unable to support the Carnival by entering this year, we have decided to have a non-uniform day on Monday (22nd May), to support our local community and raise some funds for this very worthwhile cause. Please can children wear non-uniform and pay a £1.00 donation.

We plan to enter the Carnival next year – so please keep a look out for further information in the future about this.

Headlice

We have had cases of headlice in school this week and we would like to remind parents to be vigilant and check their child's hair regularly. If you notice that your child has headlice, these will need to be treated immediately. Effective treatments can be purchased over the counter at Seaton Pharmacy or other retail pharmacies. Please ensure that all long hair is tied back for school to prevent the spread of headlice. Thank you.

Uniform Ordering

Our new page on The Border Embroideries Website is now up and running! Any new uniform orders that are placed will now have our new logo. We are more than happy for children to continue wearing uniform that has our old logo, as we appreciate this transition will take time. We will be selling some of our old stock in the coming weeks at a reduced rate. We will let parents know when this is available.

Holiday Request Forms

Absence request forms are available on our school website and can be downloaded and completed electronically. These can then be emailed to the office: admin@seaton-jun.cumbria.sch.uk We do have paper copies in school if you would prefer.

Forest School – Year 6

Children in 6M will be taking part in a Forest School Session on Wednesday afternoon. Please ensure that children come to school in old clothes that they are able to get dirty and are dressed appropriately for the outdoors.

After School Club Payments/Breakfast Club

Please ensure all outstanding money for clubs is paid up to date by Thursday 25th May. Thank you.
