Swimming Lessons – 5N (Miss Crellin's Class)

Children in 5N will begin their course of swimming lessons next week. They will go swimming every day next week and will need to bring the appropriate kit each day. A separate letter was sent home earlier in the week with more details.

Board Games

If anyone is having a clear out and has any old board games that they no longer use, please send them into school! They will come in very useful at our clubs and also during 'wet play'. Thank you!

Morning Snack

Please note that children are welcome to bring a snack into school to eat at morning break time, however this must be fruit only. Thank you.

Spelling Homework

Spellings are set on Spelling Shed every Friday and need to be completed for the following Friday. For example, this week's spellings were set on Friday 20th September and will finish on Friday 27th September. To access their spellings, the children need to login into their account using the username and password found in the front cover of their reading journals. Once they have logged in, there should be a box in the top left called 'Assignments'. If the children click view underneath that, they should be able to play a game to learn this week's spellings. As stated in the Homework Agreement, we ask the children to complete this game 5 times throughout the week. However, they are more than welcome to play more than 5 games if they would like to!
