'Joy, Hope & Aspiration-Life in all its fullness'.

Attendance

This week our whole school attendance figure is: 96% - This is fabulous again!

Courage

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9

Our Christian value for this half term is courage. Each week we will communicate with our families which theme the children have been focussing on during our daily collective worship sessions. This week, the children have thought about how we can face our fears with courage.

Thank you to our families who have shared how our children have shown our value outside of school - we look forward to celebrating this next week! Please do continue sending messages to your child's class teacher detailing an example; all children will then be awarded a special 'Values at Home' certificate during celebration assembly.

Children in Need

Thank you to everyone who has supported our Children in Need fundraising today, by giving a donation & buying delicious 'Pudsey' cakes! Thank you for all your generosity! We will let you know next week how much we have managed to raise for this wonderful cause! Also, special thanks to Mrs Magill & her amazing kitchen team for making the Pudsey cakes today...it was very much appreciated! They were delicious!

Nasal Flu Vaccinations

The School Flu Immunisation Team will be in school on Wednesday 20th November to carry out the nasal flu vaccinations. Children will only be given this vaccination if parents have given their consent. Thank you.

Class Dojo

Please can we remind parents about the use of Class Dojo and what it should be used for. Class Dojo was set up for parents to communicate with their child's teacher regarding any aspect of their learning & for teachers to contact parents if they need to. We are still seeing messages being sent to teachers regarding school dinners, absences, home time arrangements, after school clubs etc...These kinds of messages still need to go through the school office as they always have done. Teachers are unable to keep checking Class Dojo for messages throughout the day while they are teaching and we risk the chance of an important message being missed. Safeguarding is paramount. All learning queries to the teacher and everything else via the school office. Important messages regarding home time arrangement changes or club changes, please ring the school office. If no one is available to take your call, please leave a message on our answer machine. Thank you.

Year 5 Trip to The Life Centre in Newcastle

Our Year 5 children are off on their trip to The Life Centre in Newcastle on Monday! They will also be getting the opportunity to do some ice-skating too! This will be a fantastic trip - our children are getting very excited. Please ensure children arrive at school by 7.30am, in order to be registered and in time for the bus leaving at 7.45am prompt. Please don't forget that children will need a packed lunch on this day & a mid-morning snack too! No sweets please & NO mobile phones are allowed.
