### Attendance

This week our whole school attendance figure is: 95% This is fab! 😊

### Perseverance

*"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." Galatians 6:9*

Our Christian value for this half term is perseverance. Each week we will communicate with our families which theme the children have been focussing on during our daily collective worship sessions. This week, the children have thought about how to persevere with the truth.

Thank you to our families who have shared how our children have shown our value outside of school. Please do continue sending messages to your child's class teacher detailing an example.

### Swimming Lessons – 3S

Children in 3S (Miss Nann's class) will begin their course of swimming lessons next week. They will go swimming every day next week and will need to bring the appropriate kit to school each day.

A separate letter was sent home earlier in the week with more details.

### Staff Car Park

Since returning from our Christmas break, we have noticed that cars are still pulling into the staff car park at the end of the day or to drop children off in the morning (with the exception of Breakfast Club). Parents should not be pulling on to the staff car park to pick children up from after school clubs. Some of our children walk home from clubs and parents pulling on & off our car park is dangerous. If this continues we will have to start closing our gates again. We will be monitoring this situation very closely over the coming weeks.
